

KATKO Stainless Steel Product Range (KER) is designed for the needs of Food & Beverage and Mining industries. The AISI 304 and AISI 316 enclosures provide a high level of protection.

These high-quality enclosures were specifically designed to withstand chemicals and have as few cavities as possible in order to be easily cleanable.

UL-listed product. 

Suitable for use in:

- Food & Beverage industries
- Mining industry
- Hazardous and demanding environments

STAINLESS STEEL SAFETY SWITCHES

Up to 160 A

- Designed for hygienic and heavy environments
- Padlockable
- Easy to install and to keep clean
- Acid proof: AISI 316
- IP66
- Rainhood protection with angled top (RS)
