KCS INSTALLATION ENCLOSURES

Discover KATKO's Durable and Versatile Installation Enclosures

Our high-quality installation enclosures, manufactured in Finland, combine a compact design with a range of user-friendly features that make installation easier and faster. Designed with the installer in mind, the enclosures include several installation-enhancing features and are suitable for a wide variety of applications. Available in five different sizes, they can be tailored to your needs and accommodate various electrical components and configurations.

KEY FEATURES:

- Quarter-turn screws that stay attached to the cover
- Operating temperature range: -50 °C to +80 °C
- Mounting dimensions inside the enclosure and in the product packaging
- Drilling template included on the packaging for easier installation
- Placing for cable tie hinge
- 4 sealing holes
- Alignment markers on the side walls
- Cable entry knockouts on the back wall
- Condensation hole knockouts in the corners
- Accessories: mounting plates and DIN rails

CERTIFICATION AND TESTING ACCORDING TO:

- IEC/EN 62208
- IEC/EN 61439-1
- IEC/EN 61439-4
- IEC/EN 60529
- IEC/EN 62262

KCS INSTALLATION ENCLOSURES
